Schlage **Sense**<sup>TM</sup>  
A **smarter** way in.

# The Schlage Sense™ Smart Deadbolt is **the next big thing** in smart home connectivity.

Century in Matte Black

Compatible with Apple HomeKit™ Technology, allows you to unlock your door by simply asking Siri on your iPhone®, iPad® or iPod touch®. That HomeKit™ compatibility also puts you in control of the rest of your home, giving you the power to set scenes for things like your lights, doors, and thermostats. Which means the Schlage Sense™ deadbolt doesn't just make your home smarter – it makes your whole life easier.

Open possibilities.

Established in **New Zealand in 1975**, a number of our product lines are **designed, engineered and tested** locally by our Kiwi team.

We believe that **style lives in the details**, because it's the details that bring everything together in a home.

Our door hardware, deadbolts and electronic locks provide **open possibilities** for homeowners to reflect their style.

Every day, Schlage creates solutions that bring our customer's visions to life. These solutions make homes and lives **smarter, safer and more beautiful**.

At the end of the day, **we're opening a lot more than just doors**.
