

# Digital Mechanical Lock

Residential electronic locks

The Schlage Push Button Mechanical Lock comes complete with an optional hold open function. A simple mechanical push-button digital solution for applications where simplicity and convenience of use are paramount. Ideally suited to areas which require restricted but convenient access, such as offices, workshops and storerooms.

With a snib on the backplate, the lock allows users the choice of hold open or not.

## Features

- 14 digit keypad offers 8000 codes of 4 to 7 digits
- Single PIN code can be set up to allow users access using the same code
- Suitable for light duty and internal use only
- Spindle can be cut on site to suit doors between 32mm and 50mm thick
