

# Door Stops

General hardware

The Schlage door stop range has been developed for residential and commercial use. Whether the door stop is designed for wall or floor mounting, installation is easy. The construction is sturdy with rubber buffers to reduce noise and protect surfaces.

Door stops are recommended wherever wall or door damage may occur particularly with fire doors or doors installed in high use environments.

## Features

- Heavy duty construction
- Visible and concealed fixings
- Many styles to suit all environments
- Wall and floor mounting available
