

Euro Cylinders

Schlage euro cylinders are made from solid brass and have been through testing cycles to establish quality. They are designed to Australian and New Zealand Standards.

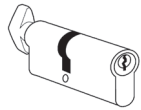

Euro cylinders are available in the Schlage C keyway and the Australian/New Zealand C4 keyway.

Features

- Solid brass construction
- 5 pin options (for 6 pin refer to SR1 Keying)
- Suits all major commercial and residential lock types
- Keyed alike options available
- Other keying options available upon request
