

# Window Fasteners

Aluminium window hardware

Schlage's range of window fasteners are the perfect replacement for old or worn window hardware. They are suitable for aluminium window frames in vented, non-vented and fixed-wedge options. Easy to install and available in black and white finishes to blend into existing hardware.

## Features

- Constructed from die cast zinc
- Available in black or white powder coat finishes
- For use on aluminium windows
- Vented, non-vented, and fixed wedge, in both left and right handed variants
- Vented and non-vented options include 2mm, 3mm, and 4mm wedge options
- Face fixed
- 32mm standard pitch, suitable for retrofit
