BUILDING PARTNERSHIP PROGRAM

The Building Partnership Program is a mutually beneficial relationship between you (the Builder), Allegion (Schlage), and your preferred supply merchant. The program offers you support every step of the way:

Account **Management**

Building Partnership Program members have a dedicated Allegion Account Manager. In the event of pricing, product or warranty queries, we guarantee that you will receive fast service and expert advice. With a nationwide team, we are here when you need us, and we are happy to provide after-sales support and training.*

Access **Made Easy**

Allowing subcontractors building access during construction is essential, yet after handover the homeowner wants assurance they no longer have access. Schlage construction keying and Schlage electronic locks provide this level of security, providing the homeowner with peace of mind.

Free Showhome/Showroom Hardware

We provide free hardware to showcase the Schlage ranges suitable for your target market in your showhome and/or showroom*. The hardware can be wall mounted or mounted on blocks.

Marketing Support & **Co-Branded Brochures**

We can provide co-branded brochures showcasing the Schlage products of your choice, as well as co-branded care and maintenance brochures for handover.*

Free Presentation Boxes

Building Partnership Program members receive the keys in a presentation box for each project, to be provided to the homeowner at handover. *

Free Hardware Scheduling Service

Our experienced national scheduling team are able to assist when you are specifying a home or building*. All work is turned around quickly, and accuracy is guaranteed.

Leading Warranties

Schlage products come with a minimum ten year mechanical warranty (excludes electronic product). All products are tested to the highest industry standards.

* Minimum build quantities apply. Talk to your Allegion representative for details.
