

Open possibilities.

Schlage **S-6000**
Smart lock. **Smart investment.**

The sleek new Schlage S-6000 digital touch pad door lock is more proof that **Schlage doesn't just keep up with trends, we lead them.**

S-6000

The latest electronic lock in the Schlage product line, the S-6000 is packed full of features that give homeowners unparalleled control over access to their home.

Easy to program, the S-6000 provides up to 8 different user PIN codes and temporary access codes can be created for contractors or guests that may need to enter your home on a short term basis. To operate the lock, you can also use a fob, stick-on patch or card, which are supplied and there is also a key for manual over-ride in case of an emergency.

Features and benefits

Exceptional convenience

- Access your home by user PIN, card or fob
- Illuminated numeric touch pad
- Never worry about losing keys
- Easy to set up and operate
- Volume and mute controls
- No wiring needed

Enhanced security

- Random PIN number function protects your entry code
- Built-in alarm senses potential door attacks
- Door re-locks itself if left unlocked

Peace of mind

- Weather resistant (tested to IP54)
- Two year guarantee
- Double locking

Specifications

Door thickness

- 40mm – 90mm

Backset

- 70mm

The S-6000 also has additional security features such as a built-in alarm which can sense forced entry, and an auto re-locking feature if the door is left unlocked for a period of time. The door unlocks from the inside in an emergency such as a fire, by rotating the lever from the inside, at any time.
