

Open possibilities.

Schlage **Sense**TM
A **smarter** way in.

The Schlage Sense™ Smart Deadbolt is **the next big thing** in smart home connectivity.

Century in Black

Compatible with Android phones, iPhone®, iPad®, iPod touch® and Apple HomeKit™ technology, the Bluetooth enabled Schlage Sense™ gives you effortless control over access to your home. Apple users can ask Siri® to lock or unlock their door and if using Apple HomeKit™ you also have the power to set scenes for things like your lights, doors, and thermostats. The Schlage Sense™ deadbolt doesn't just make your home smarter – it makes your whole life easier.

Open possibilities.

Established in **New Zealand in 1975**, a number of our product lines are **designed, engineered and tested** locally by our Kiwi team.

We believe that **style lives in the details**, because it's the details that bring everything together in a home.

Our door hardware, deadbolts and electronic locks provide **open possibilities** for homeowners to reflect their style.

Every day, Schlage creates solutions that bring our customer's visions to life. These solutions make homes and lives **smarter, safer and more beautiful**.

At the end of the day, **we're opening a lot more than just doors**.
