

ALLEGION™

Architectural  
hardware  
consulting  
services

Allegion products are not only designed to complement your architectural vision, but also to function in a way that suits the operational and security needs of a facility. We offer an extensive range of mechanical and electronic hardware and our experienced team can help you specify the right products to meet the needs of all of your applications and building requirements.

### How we can help

- Hardware specifications
- Door by door schedules
- Product elevations
- Review substitution requests
- Review hardware submittals
- Comprehensive product training
- Compliance to building, life-safety and accessibility codes
- Job site reviews and pre and post installation inspections

### Allegion offers quality, security solutions including:

**Schlage** electronic and mechanical locks and access control solutions

**Briton** door controls and accessories

**Legge** locks and furniture

**Schlage Biometric** time and attendance and access control solutions

**Von Duprin** exit devices

**LCN** door closers and auto operators

**Ives** door accessories

**Glynn-Johnson** overhead holders and stops

**Falcon** locks, exits and closers

**aptiQ** readers and credentials

### When you partner with Allegion, you receive:

- **A Dedicated Resource.**  
Regionally located so you can count on them, our consultants have a thorough understanding of your firm and clients.
- **Clear Communication.**  
We'll relay any issues or areas of concern and work with you to identify the best solutions.
- **Customised Solutions.**  
We provide solutions that are both aesthetically and functionally appropriate.
- **Security that Matters.**  
Our products exceed the highest security standards as well as provide opportunities to integrate with other systems and features in the building.
