# Building **Partnership Program**

As your trusted partner in door hardware, Schlage offers support for your building projects and commitment to quality. Let Schlage unlock the benefits to enhance your business.

The Building Partnership Program is a mutually beneficial relationship between you (the Builder), Allegion (Schlage), and your preferred supply merchant. **The program offers you support every step of the way:**

## Building Partnership Program **benefits include:**

### ACCOUNT MANAGEMENT

Building Partnership Program members have a dedicated Allegion Account Manager. In the event of pricing, product or warranty queries, we guarantee that you will receive fast service and expert advice. With a nationwide team, we are here when you need us, and we are happy to provide after-sales support and training.\*

### ACCESS MADE EASY

Schlage construction keying allows one key to be given to subcontractors, providing access to all projects a builder has under construction at any point in time. After handover, the construction key is no longer able to access the building.

Alternatively a smart lock offers the same convenience with PIN codes. Provide codes to your subcontractors for the set periods of the project, and after handover their access code is deleted.

### FREE PRESENTATION BOXES

Building Partnership Program members receive handover keys in a presentation box for each project, these are provided to the homeowner at handover.\*

### FREE SHOWHOME/SHOWROOM HARDWARE

We provide free hardware to showcase the Schlage ranges suitable for your target market in your showhome and/or showroom.\* The hardware can be wall mounted or mounted on blocks.

\* Minimum build quantities apply. Talk to your Schlage/Allegion consultant for details.

### MARKETING SUPPORT & CO-BRANDED BROCHURES

We can provide co-branded brochures showcasing the Schlage products of your choice, as well as co-branded care and maintenance brochures for handover.\*

### FREE HARDWARE SCHEDULING SERVICE

Our experienced national scheduling team are able to assist when you are specifying a home or building.\* ie. All work is turned around quickly, and accuracy is guaranteed.

### LEADING WARRANTIES

Schlage products come with a minimum, ten year mechanical and two year electronic product warranties. All products are tested to the highest industry standards.

### WIDE PRODUCT RANGE
