Handing guide

Testing and Compliance

Fire Rating:

Successfully tested on fire door assemblies in accordance with AS1905 Part1: Fire resistance doorsets. Check with fire door manufacturer prior to installation.

Accessibility:

Compliant to the AS 1428:1-2009 Design for Access and Mobility

Caution:

When door closers are installed and adjusted to meet reduced opening force requirements, there may be insufficient power to reliably close and latch the door, depending on prevailing operating conditions.

Note:

In areas of high wind pressure and/or air conditioning pressures, the LCN Automatic Door Operators are recommended.
