## Emergency Release #24

## Testing and Compliance

### Fire Rating:

Successfully tested on fire door assemblies in accordance with AS1905 Part1: Fire resistance doorsets. Check with fire door manufacturer prior to installation.

### Accessibility:

Compliant to the AS 1428:1-2009 Design for Access and Mobility

### Caution:

When door closers are installed and adjusted to meet reduced opening force requirements, there may be insufficient power to reliably close and latch the door, depending on prevailing operating conditions.

### Note:

In areas of high wind pressure and/or air conditioning pressures, the LCN Automatic Door Operators are recommended.
